This small and pretty village home is situated in the best area of Arriate, in El Huerto area, next to the river. It's downtown, close to all services, such as shops, bars and restaurants, schools, parks, pharmacy, public transport, and everything you need to live. On the ground floor we find a small living room, with a pellet fireplace, and a good-sized independent kitchen, fully equipped, with access to an interior patio, a laundry room and a complete bathroom. In the living room we have a staircase to access the upper floor, where we find two bedrooms and a bathroom. From one of the bedrooms there is access to the outside of the house, which has been recently built, with space for terraces to enjoy the weather and the comfort of living in La Serrania de Ronda. The property also has access through the back street (Casas Nuevas). Arriate is a town of Moorish origin in La Serrania de Ronda, located in the lowlands of Ronda hollow. The beauty of its views of the Guadalquivir valley, the deep-rooted carpentry tradition or its famous Easter (Holy Week), which has been declared a Provincial Tourist Singularity, are just some of the reasons that will make a visit to Arriate an experience for all your senses. The quality of life is the reason why foreigners and young families choose this municipality to settle, making the population grow in recent years. Just 5 minutes by car from Ronda centre and 8 minutes from Setenil de Las Bodegas, Cadiz. 50 minutes from San Pedro Alcantara, and one hour from Malaga airport. Do not let it go and call us! RCC
