A house without the need for reform to live. The property is located in one of the oldest streets of the town. With wonderful views of the Castillo del Aguila and the Church. At the entrance of the house is the living room, then a corridor with the stairs that lead to the second floor and a complete bathroom. It has a good size full kitchen. Stairs lead to the 1st floor where two bedrooms with a wide corridor between them. On the third floor there is a laundry area and an office space. For storage, creation of another room and bathroom. This space has infinite uses. With access to the terrace with beautiful views of the town.
