Property in the heart of Gaucin with 168 m2 built divided into 3 floors. Excellent location for commercial premises. Perfect for a home on the 2nd floor. Venue on the ground floor Local in the basement of the house with separate entrance from the street below. Housing and business opportunity. The house is divided into a living room, a full bathroom and a kitchen on the ground floor. On the second floor are the 3 bedrooms with a wide corridor between them. In the basement, with direct access to the street, there was a bar that in its time was a success. Business opportunity in the Serrania de Ronda - El Valle del Genal.
