This beautiful house is located in the charming municipality of AlhaurÁn el Grande, in a quiet area, and has 100 m2 spread over three floors. Upon entering through the main door we find the living room, on the right hand side there is a separate kitchen and to the left of the living room we see a large bedroom. We go up to the next level through a charming staircase and we find a small living room that has been converted into an additional bedroom, a bathroom and two more bedrooms. From here we will go up to the second floor where we find a solarium with clear views of the town and the surrounding mountains. This space is perfect for relaxing, sunbathing or enjoying the starry nights. Additionally, on this floor, there is a storage room that provides very practical additional storage space. In short, a very charming house located in a quiet area of ÁlÁn el Grande the town and just a few minutes from the center where you will have access to all types of shops and services. Don't think twice and contact me to make a visit.
