Spacious and bright townhouse in Alhaur n el Grande. House in the village of Alhaur n el Grande very close to all services! Distributed on the first floor with: a bedroom, bathroom, living room with fireplace, kitchen and a large patio with laundry room where we will also find a staircase to access the second floor by the outside area. The second floor is distributed in kitchen, bathroom, two bedrooms and living room with fireplace; we also have access to a small terrace where the stairs are access to a wonderful terrace with another room for storage. This property can offer the possibility to accommodate two totally independent families, one on the first floor and the other on the second floor. Do not miss this great opportunity and call us!
