Transfer of premises in the main catering area of Campanillas, ideal to provide essential catering services to all workers of the Andalusia Technology Park and the entire resident population in the area of Campanillas. It is transferred fully equipped and ready to start working. With a total interior area of 120 square meters of room, a capacity of 95 diners and a separate professional kitchen with cold storage, and storage area. The interior has been carefully designed to offer its clientele a gastronomic experience to remember, while at the same time achieving a practicality for the quality work of the kitchen and dining room team. The terrace, which is in property, consists of about 26 square meters with capacity between 8 and 10 tables, with transparent roofing and awnings for a complete closure in winter, as well as the installation to connect TV and heating. The local is well known in the area and has a recognized trajectory.
