Welcome to this charming townhouse that offers a perfect home for you and your family! Located on the first floor, it features two spacious bedrooms, a functional bathroom, an area for storage, and a good-sized storage room, providing all the necessary spaces for a comfortable life. Additionally, it boasts a small yet cozy terrace overlooking the street, providing an intimate space to enjoy the surroundings. With all the amenities needed for a family, this home has great potential for renovations and the possibility to create more spaces according to your needs. Its location is simply unbeatable, close to all shops, banks, schools, and supermarkets, all within reach. Imagine the opportunity to personalize this space according to your style and preferences, turning it into the home of your dreams. This place offers not just a roof overhead but also a blank canvas to unleash your creativity and design. Don't miss the chance to transform this house into a truly special place for your family. Contact me to discover all the possibilities that this property has to offer!
