"Spacious and bright Apartment! A stone's throw from two shopping centers with a multitude of services and in a well-kept community with two swimming pools, one of them heated, is this 110 m2 apartment. It is distributed in two bedrooms and two bathrooms, the main one with an en-suite bathroom and walk-in closet. Kitchen with new appliances, large living room and a large terrace of about 20m2. It is worth highlighting the number of closets and the possibility of expanding the home since it is allowed to close the exterior entrance hall. It is sold with furniture included in the price.
