New Development: Prices from 559,000 €, to 568,000 €, . [Beds: 3 - 3] [Baths: 2 - 2] [Built size: 200.00 m2 - 205.00 m2] **BRAND NEW & READY TO MOVE IN** An exclusive gated complex of 40 luxurious townhouses with a contemporary architecture, set in one of the most desirable locations within La Cala Resort. This development features a large outdoor swimming pool and stunning gardens extending to the golf courses that surround the urbanization. A stunning property with over 300 m2. Interior open spaces that flow to spectacular terraces, private gardens and amazing rooftop terraces to choose where to enjoy the sunshine while having a drink or enjoying a succulent dinner "al fresco". These bright and spacious townhouses will deliver premium quality finishes adapting to our client's day-a-day needs, accommodating motorized shutters and fitted wardrobes in the bedrooms, designer bathrooms, open-concept kitchens equipped with all electrical appliances, hot and cold air conditioning, a safe box and awnings already installed in the terraces and solariums. Each one of the properties includes a large private underground garage and straight access in- to the property. The potential of this house only grows with the possibility to install an indoor lift at any desired moment, either during construction or at a later stage. A fantastic South orientation, the unique golf-front position, a combination of the finest quality materials and the sophisticated design, surrounded by a natural scenery, makes this development the ideal home. The sales prices are starting from €, ~465.000 + VAT tax. We offers a comfortable payment structure throughout the construction and guarantees all payments with a bank policy. The building license is granted, the construction of the first phase has already started and will be handed over in September 2020. A show-house is available for visits seven days a week. You are welcome to phone or email us to arrange an appointment.
