Discover this rustic land full of endless agricultural possibilities and rural tourism activities. Located in a picturesque and peaceful environment, less than 5 minutes from Estaci3n de C4rtama, this land offers fertile soil suitable for cultivating olive trees, almond trees, or carob trees (It already has 180 olive and 200 carob productive trees), and is perfect for developing rural tourism activities. You can transform it into a refuge for those seeking to escape the hustle and bustle of the city and enjoy the serenity of the countryside and its beautiful natural landscapes. Approximately 80% of the land is level, and it has two pre-approved rural tourism projects by the City Council, which is very interested in supporting new initiatives that expand the tourism offering of the town and promote ecotourism and environmental conservation. One of the proposed projects to the City Council involves the construction of a complex of rural houses, including 210 wooden houses, public spaces, and green areas. Approximately 22,500m2 would be allocated for the construction of the houses, 21,500m2 for green areas, and 40,000m2 for parking, pools, public areas, roads,
