Welcome to this impressive penthouse located in La Duquesa with spectacular views of the sea. This penthouse, with its 160 m2, provides an exclusive and comfortable coastal lifestyle. Upon entering the property, you will be greeted by a bright foyer that guides you into the heart of the home. The spacious living-dining room has huge windows that flood the room with natural light. Stunning sea views. From here, you can access the magnificent 30 m2 terrace, equipped with a gazebo where you can relax and enjoy the Mediterranean climate while contemplating the sea. The kitchen, fully furnished and equipped with appliances, offers a functional and cozy space to prepare your favorite dishes. In addition, its south-west orientation guarantees exceptional luminosity throughout the day. The penthouse has 3 bedrooms, including a master bedroom with a large dressing room. The other two bedrooms are equally bright and spacious. In addition, the property includes a garage for your greater comfort and security. In short, this 3-bedroom, 2-bathroom penthouse is a unique opportunity for those looking for a luxury home with stunning sea views and all the amenities to enjoy coastal living.
