Situated in the quaint village of Guaro, down a quiet street (with no through traffic), this property has two independent apartments built in 2011, within walking distance to all the shopping facilities and restaurants Guaro has on offer. The ground floor apartment is in excellent condition throughout, boasting a large living room, separate fully fitted kitchen that leads out to a private garden with country views, two double bedrooms with built in wardrobes, shower room and garage. The first-floor apartment again is in excellent condition boasting a large living room, separate fully fitted kitchen that leads out to a private balcony with far reaching views, three double bedrooms with built in wardrobes and a shower room. With tiled floors, double glazing, and good quality construction, the apartments have the potential for good rental yields and would be ideal for holiday lets.
