Sale of olive grove in Malaga, municipality of Ronda. Sale of olive groves in production of the "picual" variety (also called marte±a) with a total area of 36.6 hectares in the province of Malaga in the municipality of Ronda. Well communicated. It includes a house to reform, a 150 m2 agricultural warehouse, electricity, a water well, a water pond, and machinery composed of: -New Holland 175 rubber tractor (quite large and powerful), with its shovel, Tenia brand. - An atomizer of 3000 liters. Both, both the tractor and the sprayer, about 6 years old, used only on the farm. -Trailer of 13000 kg capacity. -Cultivator (to plow). -A scraper (to leave the ground smooth and prevent cracks from appearing in summer) The farm has a subsidy every year, called PAC of about 9000 Euros.
